March 8th, 2008 in Newport Beach, SoCal, there will be an invitational doubles event unlike any you've played before. A chance to see if you are the leader of the team, or just the back-up. The top ranked doubles players will be invited to participate in a round-robin format, although only 32 positions will be available. Each player will be guaranteed 2 rounds, with 3 games per round. 1st round will consist of 8 groups, with 4 players in each group. A player gets grouped depending on their WOR ranking. All players in the group will play 1 game with each other. The top 2 scores will advance to the next round. Remaining players fall into a drop-down division and compete for prizes. This will continue until there are only 4 players remaining. The first 32 players e-mail, or call with their confirmation by the deadline on March 2nd, will be eligible to play. Do not confirm unless you are sure you can make it. If you are confirming, leave your name, phone number, e-mail, and date you entered at 714.305.6294, or gregsolis5@yahoo.com. Please still enter if signing up late. If by the confirmation deadline there is an opening, it will go to the person who entered the earliest.
